*East Side High School has a man with the strength and demeanor to assume the responsibilities of mentor and manager. The conflicts he faces from day to day, serve to strengthen his character, that character which gives him the sensitivity to care; a caring which he extends among his peers and to those who need it most, his student body.*

*Stemming from his love of youth, he has, in a short time, been able to relate to his students as individuals. Those students whom he has helped through his guidance and commitment, seem to find a sense of value in his actions. His ability to listen and communicate to those who turn to him, makes his job that much easier.*

*However, his leadership requires him to have an objective viewpoint, making him less quick to judge. Yet, he must withstand the criticisms of others. But being a man of understanding and compassion, the student body has come to admire him and respect his authority.*

*These traits belong to the man whom the Class of '77 honors with the dedication of this book, our principal and friend,*

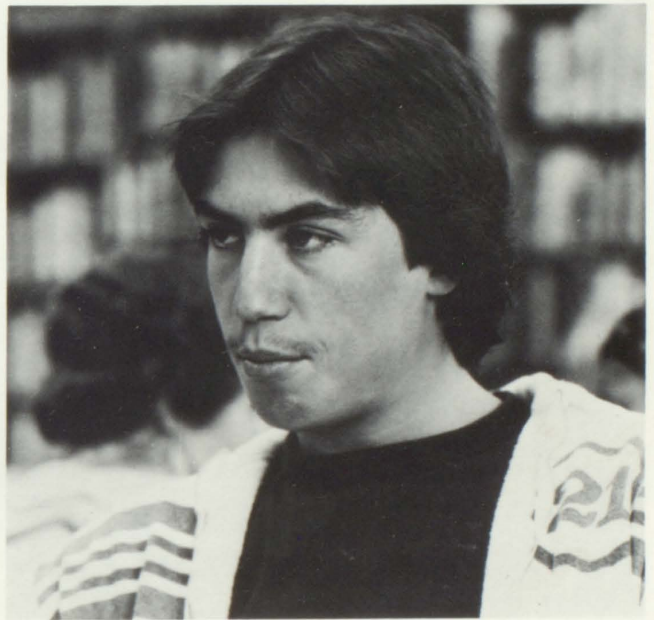

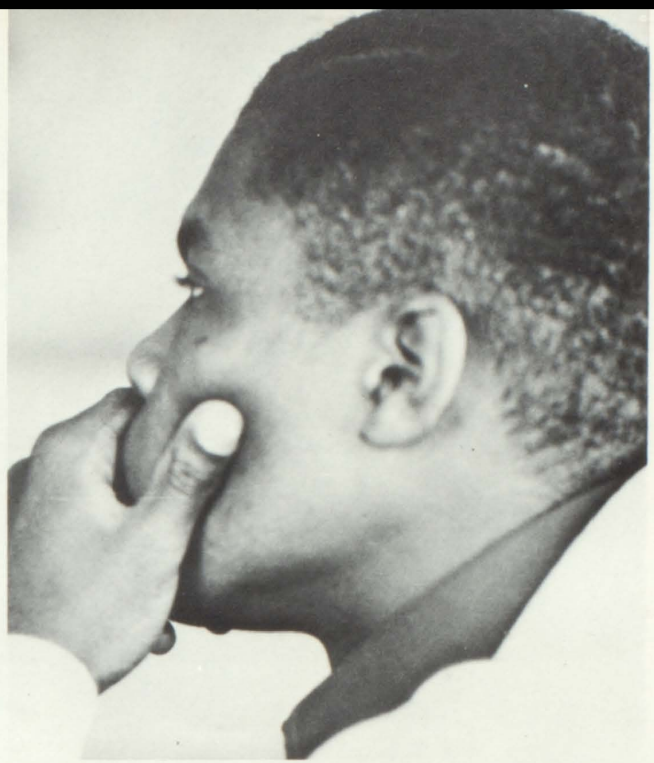

**MR. JAMES QUELI JR.**

*IS THIS FACE FAMILIAR?*

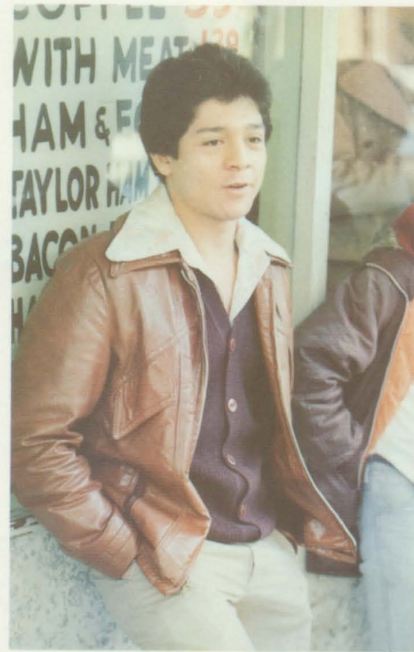

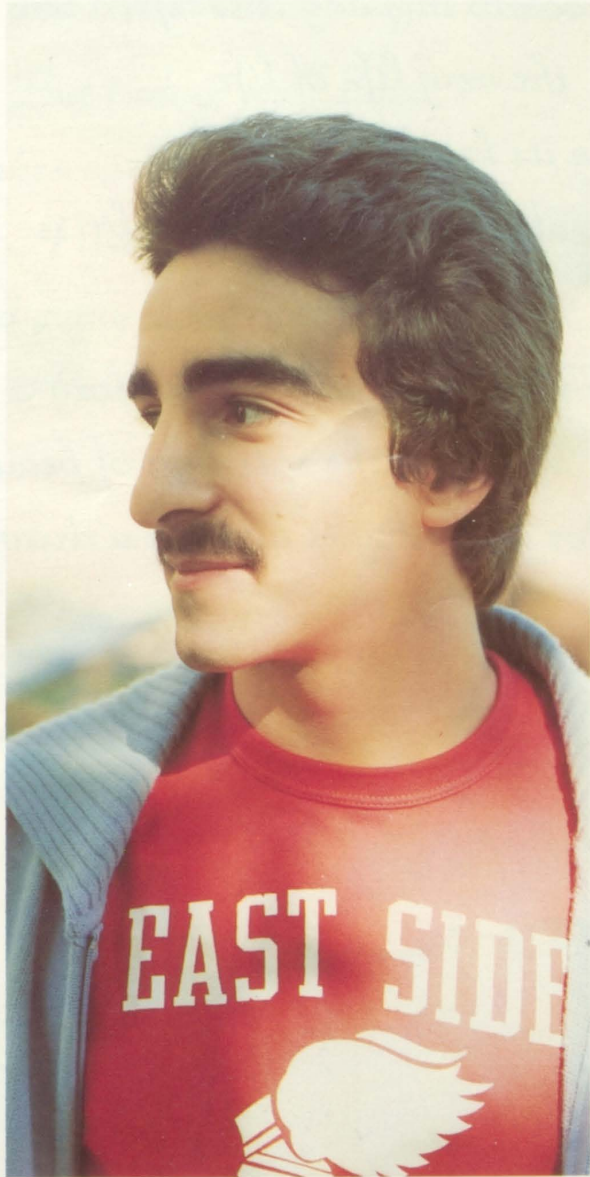

*A new day  
awaits us,  
with new goals  
to be reached. . .*

*And  
challenges  
worth conquering.*

*Look to this day it is life,  
the very life of life.  
In its brief existence lie  
all the verities and realities  
of your existence:*

*The bliss of growth; the glory  
of action; the splendor of beauty.  
For yesterday is already a dream,*

*and tomorrow is only a vision;*

*But today, well lived,  
makes every yesterday*

*A dream for happiness,  
and every tomorrow*

*A vision of hope!*

*Sanskrit*

*We are afflicted in varied ways,  
but not crushed, perplexed,  
but not driven to despair . . .*

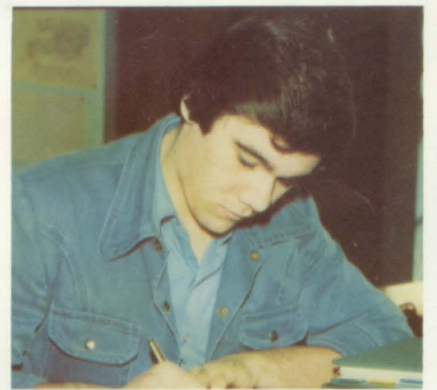

*persecuted  
but not  
forsaken,  
struck down  
but  
not destroyed.*

*You give but  
little  
when you give  
of your  
possessions.*

*It is when  
you  
give of yourself  
that  
you truly give!*

*ROSTER  
OF SUPERIOR MERIT*

*The Class of 1977 adds the name of Golden E. Johnson to the Roster of Superior Merit. Ms. Johnson is now magistrate in the City of Newark. She graduated East Side High School in June of 1961, attended Douglass College, where she earned her A.B. in June of 1965. She then went on to Rutgers School of Law, where she obtained her J.D. in June of 1971.*

*She is currently a member of various major professional state and national legal associations such as, New Jersey Bar Association; Executive Board of the National Bar Association; and the Garden State Bar Association.*

*She is also actively engaged in civic endeavors, Ms. Johnson participates in organizations which dedicate themselves to the betterment of human understanding. She was a member of the Board of Directors for the Central Ward Girls Club; a member of the New Jersey Advisory Board for the United States Commission on Civil Rights; and a member of the NAACP.*

*In addition to magistrate, she is Adjunct Professor, Rutgers School of Law.*

*Days will speak to us,  
And the multitude of years  
Shall give us wisdom*

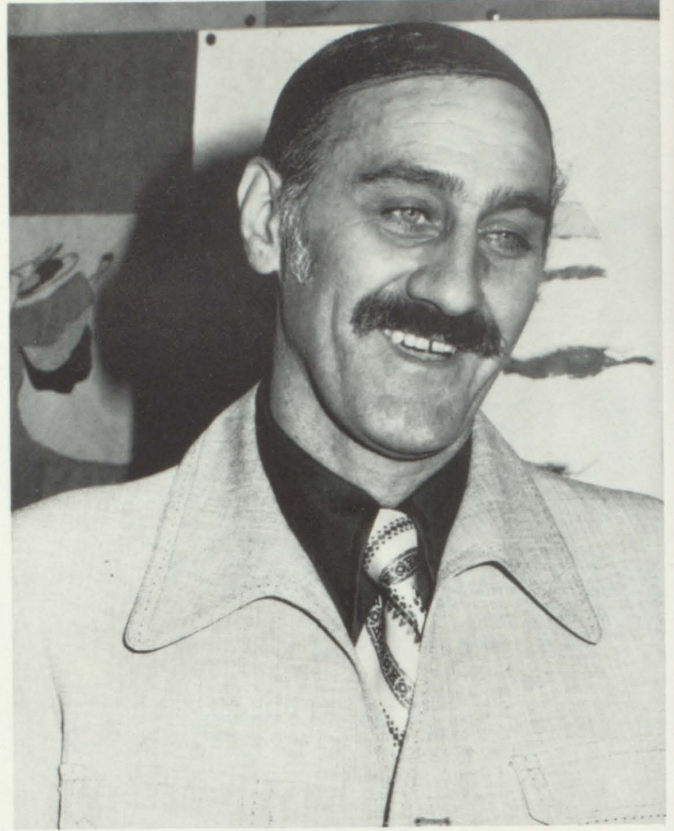

*For the length of day  
Brings understanding,  
Forever, and ever.*

*So teach us to number all our days,  
So that we may apply our hearts  
Unto wisdom.*

# STUDENT LIFE

We dedicate this page to one who has labored with us to make our senior year the most enjoyable possible. She donated her time freely and her effort enthusiastically. With our interest uppermost in her heart, Miss Teresa Naparano, our advisor, has diligently guided and has patiently helped us to make those difficult, necessary decisions quickly and satisfactorily to insure the Class of 1977 a memorable year.

Miss Naparano has done an extraordinary job. Her friendliness and outgoing personality has made it a pleasure to work and to be with her. Clearly, Miss Naparano has given more of herself than is required; she enjoyed working for our senior class. We have had many good times despite the enormous work accomplished with speed and efficiency.

We thank Miss Naparano for all she has done for us.

We acknowledge our dedicated friend and yearbook advisor, Mr. Orlando Di Francesco. He has given up much of his personal time to work with us. He has contributed his experience and knowledge so that we could produce the best yearbook possible. Mr. "D" never dictated what had to be done; he only suggested a way to do it. He taught us to work together, uniting our skills and ideas. It would have been impossible to complete this job without Mr. "D's" guiding hand.

We shall always remember him, for he has become a part of our lives. Whenever we think of our wonderful days at East Side, we shall always think of Mr. "D."

## SPORTS

### *Don't Quit*

*When things go wrong, as they sometimes will,  
When the road you're trudging seems all uphill,  
When the funds are low and the debts are high,  
And you want to smile, but you have to sigh,  
When care is pressing you down a bit,  
Rest if you must but don't you Quit!  
Life is queer with its twists and turns,  
As everyone of us sometime learns,  
And many a fellow turns about  
When he might have won had he stuck it out!  
Don't give up though the pace seems slow,  
You may succeed with another blow.  
Often the goal is nearer than  
It seems to a faint and faltering man;  
Often the struggler has given up,  
When he might have captured the victor's cup!  
And he learned too late when the night came down,  
How close he was to the Golden Crown.  
Success is failure turned inside out  
The silver tint clouds of doubt,  
And you never can tell how close you are,  
It may be near when it seems so far.  
So stick to the fight when you're hardest hit,  
It's when things seem worst that you mustn't Quit!*

The Class of 1977 congratulates the Fencing Team for the first East Side State Championship Title since 1958. We are grateful to the team, and their coach, Mr. Stanley Salagaj for honoring our school with this great triumph.

One of the most outstanding fencers, Roland Gonzalez, won the Individual High School Foil Title in the Christmas Tournament. Another stellar fencer, Miguel Llanes, a junior was District Champion. Alan Traettino and Zoltan Varsanzi also are to be commended for their contributions to the team.

Through individual diligence and determined team effort, these athletes reached the one goal all teams strive to reach. Once again East Side has shown their competitive spirit and will to win in the face of great odds.
